Living with rebellious children is very difficult but find out how to take this cry for help and turn their heart back to you and the family.

- Developing a Servant's Heart (teaching children to be self-less)

Ever wonder how to take the selfishness out of your children? Let's look at the steps God has outlined for us.

- High school – you can do it successfully.

You taught them to eat, dress themselves, talk, read, add/subtract and the other foundational concepts, you can teach high school.

- How to begin homeschooling including: the laws, choosing curriculum, and practical tips.

- Learning styles and family dynamics.

You'll discover how God wired each of your family members and how to use that wiring to the best advantage.

- Starting the year well.

Insanity is doing the same thing again and again and expecting different results. Put some sanity into your school year.

- What do you need to teach your children?

Do you use the Greek method or the Hebrew method? What does God say we need to teach?
